### How Many Seeds?

 <p>A pumpkin-shaped illustration with a stem. Inside the pumpkin, there are five solid black circles representing seeds. To the right of the seeds, the number 5 is shown in a dashed line for tracing. The number 5 is positioned between two horizontal solid lines, with a vertical dashed line passing through its center to indicate the starting point for writing.</p>	 <p>A pumpkin-shaped illustration with a stem. Inside the pumpkin, there are six solid black circles representing seeds. To the right of the seeds, the number 6 is shown in a dashed line for tracing. The number 6 is positioned between two horizontal solid lines, with a vertical dashed line passing through its center to indicate the starting point for writing.</p>
