## **Family Birthdays**

Everybody in Jon's family has a birthday in March. So they will have a cake for Mom, Dad, Bill, Hada, Jon, Kate, and Wes on each birthday.

The calendar shows a cake for each birthday.

- Bill's birthday is first.
- Jon's birthday is the day after Bill's.
- Dad's birthday is last.
- Mom's birthday is on the same day of the week as Dad's birthday.
- Hada's birthday is the same week as Mom's birthday.
- Kate's birthday is after Hada's birthday but is before Wes's birthday.

**What is the date in the month of each person's birthday?**

**Write the number next to the person's name.**
