Race Cars

Ben and Gabriella like to race toy cars.

- The car with the lowest number is yellow. It is the fastest.
It wins the race.
- The car with the highest number is blue.
It came in second.
- The car with a number more than 10 and less than 20 came in last. It is red.
- The other car is orange.

In what order did the cars finish?

Put the cars in order.

Write the numbers on the cars.

Color the cars to match the clues.
