Bus Numbers

Bus numbers 4, 5, 10, 11, and 12 are waiting at the school.

- The first bus is closest to the school.
- Bus 4 is farthest from the school.
- The number on the third bus comes between 10 and 12.
- The number on the second bus is 1 more than the number on the last bus.
- The number on the first bus is more than the number on any other bus.
- Whatever number is left over must be the number on the fourth bus.

What is the number of each bus?

Write the number under the bus.
