Amy, Hannah, Robby, and Seth helped wrap boxes.

They had red, yellow, blue, and green paper.

- Amy made 3 boxes blue and 2 boxes red.
- Hannah wrapped 2 boxes. She made them each a different color, but she did not use the same colors that Amy used.
- Robby made 3 boxes yellow.
- Seth wrapped 4 boxes. He used a different color for each box.

How many boxes did they wrap of each color?
