

Family Letter for Unit 2

Dear Family,

During the next few weeks, our math class will be learning about addition and subtraction facts through 10. We will use manipulatives and a number line.

As we learn to add and subtract, you may wish to use the following as a guide.

Vocabulary

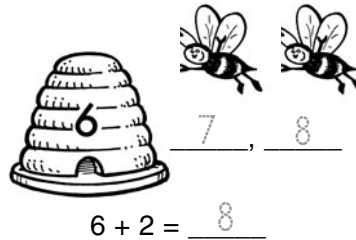

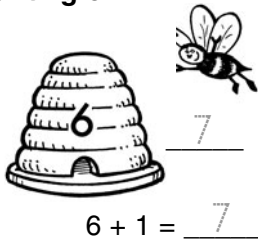

count on A strategy used to add.

count back A strategy used to subtract.

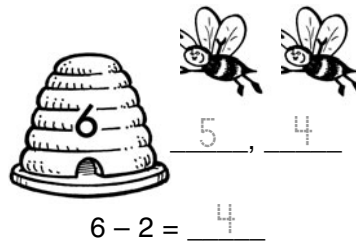

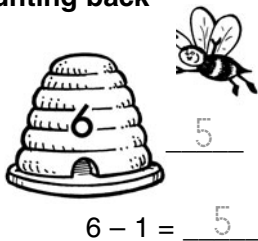

number line A diagram that shows numbers in order as equally spaced points on a line.

Strategies to Add and Subtract

Counting on

Counting back

During this unit, children should practice basic addition and subtraction facts through 10.

Sincerely,

Your Child's Teacher
