

Family Letter for Unit 4

Dear Family,

During the next few weeks, our math class will be learning about place value, regrouping, and number patterns. We will also be learning about ordinal numbers from first through tenth.

As we learn about regrouping, you may wish to use the following as a guide.

Vocabulary

ones and tens In the number 25, the 2 stands for 2 tens, and the 5 stands for 5 ones.

one hundred 10 groups of 10 ones.

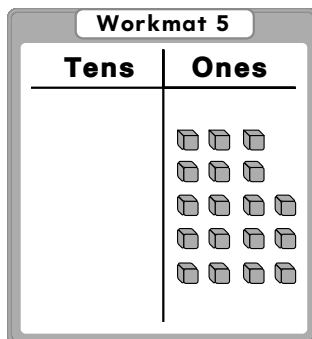

regroup Trade 10 ones blocks for 1 tens block.

estimate You can estimate when you do not need to find the exact answer.

Regrouping Numbers 10 and Larger

Step 1

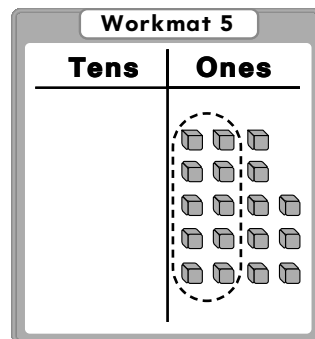

Count the cubes.
There are more than 10.

18 ones

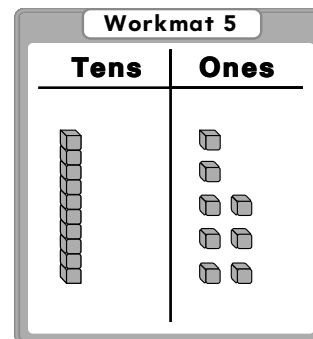

Step 2

Regroup 10 ones as 1 ten.

Step 3

There are 8 ones left over.

1 ten and 8 ones
18

During this unit, children should practice skip counting by 2's and 5's.

Sincerely,

Your Child's Teacher
