

Name _____ Date _____

Letter to Family

Dear Family,

I would like you to do something with your child that is an example of a subtraction fact. For example, you might have a bowl of seven oranges and cut up two of the oranges for breakfast. There would be five oranges left in the bowl. I'd like your child to draw a picture of what you did. Help your child write the subtraction fact under the picture or on the back. You can use any number from 1 to 18 for the starting number.

Your child needs to bring this to school by _____.
(date)

Thank you for your help.

Sincerely,
