

Name _____ Date _____

Activity

Think about the number of people in your town from each of these age groups: under 18, from 18 to 64, older than 64. Predict which group you think has the greatest number of people. Then do research to decide if your prediction is correct.

Prediction: _____

Name of Town	Number of People Under 18	Number of People from 18 to 64	Number of People Older Than 64

My prediction was _____

correct/incorrect

Name _____ Date _____

Data Sheet**Number of People in Different Age Groups in Four States**

State	Under Age 18	18 to 64	64+
Alabama	1,125,116	2,743,861	578,123
