

## **Problem Solving: Choose the Operation**

Ann has 12 pennies.

She uses 7 of them to buy a pencil.

How many pennies does Ann have left?

**UNDERSTAND**

What do I need to find out?

What do I know that can help me?

**PLAN**

Should I add or subtract?

**SOLVE**

I will write a subtraction sentence.

**LOOK BACK**

How can I check my answer?
