

### Two Ways to Make a Spinner

- Cut out the spinner from above.
  - Place a paper clip in the center of the spinner.
  - Place the pencil point in the center of the spinner and push the end of the paper clip so it rests behind the pencil point and spin!
- Cut out the spinner from above.
  - Open a paper clip so that it is an "L" shape.
  - Pierce the center of the spinner. Insert half of the clip under the spinner and the other half above. Keep the "L" shape.
  - Place another paper clip over the part sticking up. Spin!
