

The Solid Shapes Game

Let's roll a tennis ball or basketball,
And play the solid shapes game.
An orange or a marble are others you know.
Think of a sphere that you can name.

Cube, cone, cylinder, and sphere—
Find each one. Just start right here!

Let's stack and slide some building blocks,
And play the solid shapes game.
A number cube is another you know.
Think of a cube that you can name.

Cube, cone, cylinder, and sphere—
Find each one. Just start right here!

Let's roll and slide a party hat,
And play the solid shapes game.
An ice cream cone is another you know.
Think of a cone that you can name.

Cube, cone, cylinder, and sphere—
Find each one. Just start right here!

Let's roll and slide a can of soup,
And play the solid shapes game.
A cardboard tube is another you know.
Think of a cylinder you can name.

Cube, cone, cylinder, and sphere—
Find each one. Just start right here!
