

Math at Home

Dear Family,

My class is starting Unit 3, **Addition and Subtraction Facts Through 10**. I will learn strategies to help me add and subtract facts through 10. You can help me learn these vocabulary words, and we can do the Math Activity together.

From,

Vocabulary

related facts Addition and subtraction facts that have the same parts and wholes.

$2 + 4 = 6$ and $6 - 4 = 2$ are **related facts**.

fact family All the addition and subtraction facts that use the same numbers.

$$4 + 2 = 6 \quad 6 - 2 = 4$$

$$2 + 4 = 6 \quad 6 - 4 = 2$$

This **fact family** uses the numbers 2, 4, and 6.

Family Math Activity

Find 4 blue socks and 2 red socks. Have your child tell an addition story. Then tell a related subtraction story together. If your child says all the related facts, then he or she understands the fact family for 4, 2, and 6.

Literature
