

Using Time and Temperature

TAKS Objective 4
TEKS 3.12B

Use the schedule below for Problems 1–6.

Train Schedule to New York		
Train	Depart	Arrive
Daily	7:30 A.M.	10:40 A.M.
Metroliner	8:35 A.M.	11:43 A.M.
Express	10:20 A.M.	11:35 A.M.
Tourliner	10:45 A.M.	12:17 P.M.

1. Which train departs at 8:35 A.M.?

3. Sam just missed catching the Express. About how long will he have to wait for the next train to New York?

5. Andrea needs to get to New York by noon. She cannot leave before 9:00 A.M. Which train should she take?

2. The temperature on the train platform is 75°F. The temperature inside the train is 68°F. Is it cooler on the train platform or inside the train?

4. How long is the ride to New York on the Daily?

6. Roberto must get to New York by 11:45, but he can't get to the station before 8 A.M. Which two trains should he consider riding?
