

Batter Up!

Draw a Picture

Draw a picture of the two baseball bats. Label both bats
82 blocks long.

Try This

Write a sentence.

Tell if the baseball bats you drew are the same length.

Batter Up!

Draw a Picture

Draw a picture of the two baseball bats. Label both bats 82 blocks long.

Drawings will vary, but the bats should be labeled to be 82 blocks long.

Try This

Write a sentence.

Tell if the baseball bats you drew are the same length.

Answers will vary but will probably state that, yes, both baseball bats that were drawn are the same length.
