

Money Cards 2

Directions: Cut each card along the dotted line. For the game Dollars and Sense, shuffle and put face-down in three rows or six cards.

The image shows six money cards arranged in a 2x3 grid. Each card is enclosed in a dashed border with a scissors icon at the top left corner, indicating where to cut. The cards contain the following currency:

- Top-left card: One one-dollar bill and 12 quarters.
- Top-right card: One quarter.
- Middle-left card: One one-dollar bill, four two-dollar bills, and three one-dollar bills.
- Middle-right card: One two-dollar bill and 10 quarters.
- Bottom-left card: Five one-dollar bills.
- Bottom-right card: One one-dollar bill and 6 quarters.
