Directions: 1–4 Draw lines to match the items one to one.

One to One

<p>1</p>  <p>Three cats are lined up on the left, and three bowls are lined up on the right. A pink line connects the top cat to the top bowl, the middle cat to the middle bowl, and the bottom cat to the bottom bowl.</p>	<p>2</p>  <p>Two rabbits are lined up on the left, and two carrots are lined up on the right. A pink line connects the top rabbit to the top carrot, and the bottom rabbit to the bottom carrot.</p>
<p>3</p>  <p>Three dogs are lined up on the left, and three bones are lined up on the right. A pink line connects the top dog to the top bone, the middle dog to the middle bone, and the bottom dog to the bottom bone.</p>	<p>4</p>  <p>Four squirrels are lined up on the left, and four acorns are lined up on the right. A pink line connects the top squirrel to the top acorn, the second squirrel to the second acorn, the third squirrel to the third acorn, and the bottom squirrel to the bottom acorn.</p>

Directions: 1–4 Draw lines to match the items one to one.
