## Challenge

### Add the Puppies

1. Read the problem.

There are **5** puppies in the basket.

Lyn puts **3** more puppies in.

How many puppies are there in all?

What do you know?

There are **5** puppies in the basket.

Lyn puts **3** more puppies

in the basket.

**Sample  
drawing:**

○○○○○ + ○○○

2. Draw a picture to show what happened.
3. Write an equation to solve the problem.

$$\underline{5 + 3 = 8}$$

4. Write your own story problem about puppies.

**Story problems will vary.**
