

Challenge

Toy Store Shopping

Joan and Jim shop for toys. Ordered pairs show the toys that each child buys.

Go to the ordered pair.
Ring the toy you find.

| Joan's Toys | Jim's Toys |
|-------------|------------|
| (1, 6) | (4, 5) |
| (2, 5) | (2, 3) |
| (4, 3) | (5, 4) |

1. Jim wants to buy a toy duck for his little brother. What ordered pair should he go to?

2. Joan and Jim bump into each other at the kite. At what ordered pair are they?
