

# Challenge

## Toy Store Shopping

Joan and Jim shop for toys. Ordered pairs show the toys that each child buys.

Go to the ordered pair.

Ring the toy you find.

Joan's Toys	Jim's Toys
(1, 6)   	(4, 5)   
(2, 5)   	(2, 3)   
(4, 3)   	(5, 4)   

1. Jim wants to buy a toy duck for his little brother. What ordered pair should he go to?

         (   )

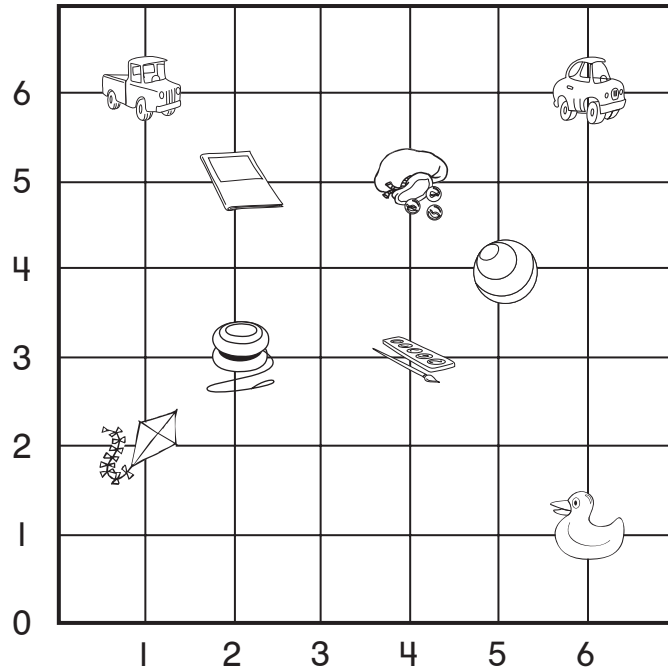

2. Joan and Jim bump into each other at the kite. At what ordered pair are they?

         (   )
