

## Challenge

### Favorite Books

Mr. Sato asked his class to name their favorite kind of book. He wants to make a double bar graph. Use the clues below to draw the bars on the graph. Use different colors for boys and girls.

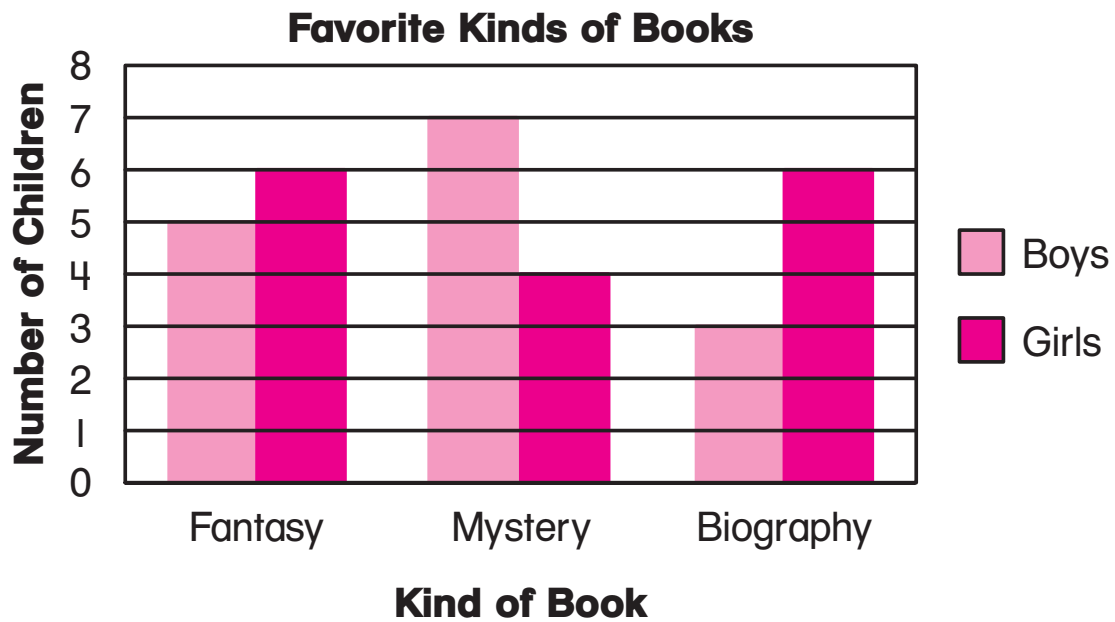

### Clues

- Four girls like mystery books.
- Two more girls like biography books than mystery books.
- Half as many boys as girls like biography books.
- Four more boys like mystery books than biography books.
- The number of girls who like fantasy books is twice as many as the number of boys who like biography books.
- Two fewer boys like fantasy than mystery books.
