

Challenge

Skip-Counting Puzzle

Read the clues. Ring each number sequence in the puzzle. You may go across, down, or diagonally. Be careful: Some may even go backwards! The first one has been done for you.

Count by ones. Start with:	Count by tens. Start with:
536	827
821	788
829	540
366	356
375	406
901	813

901	813	406	721	732	828	827	332	320	356
