

Challenge

Check and Buy

This table shows how much each item costs at a craft fair.

candle	\$2.15	candle stick	\$4.25
dish towel	\$2.50	place mat	\$1.25
pot holder	\$1.45	mug	\$2.75
door stop	\$3.10	napkin	\$1.15
plate	\$1.00	spoon	\$0.50

Pretend you have \$10.00 to spend at the fair. Choose 4 items to buy. Write the name and cost of each item you will buy. Use the Guess and Check strategy to be sure you do not spend more than \$10.00. Write the total cost of what you buy. Use any method to find how much change you would receive.

1.	Name of Item	Cost
2.	Total Cost	
3.	Total Change	

4. **Write About It** Could you have bought more things? Explain why or why not.

Check and Buy

This table shows how much each item costs at a craft fair.

candle	\$2.15	candle stick	\$4.25
dish towel	\$2.50	place mat	\$1.25
pot holder	\$1.45	mug	\$2.75
door stop	\$3.10	napkin	\$1.15
plate	\$1.00	spoon	\$0.50

Pretend you have \$10.00 to spend at the fair. Choose 4 items to buy. Write the name and cost of each item you will buy. Use the Guess and Check strategy to be sure you do not spend more than \$10.00. Write the total cost of what you buy. Use any method to find how much change you would receive.

Answers will vary. Possible answers shown.

1.	Name of Item	Cost
	dish towel	\$2.50
	pot holder	\$1.45
	door stop	\$3.10
	plate	\$1.00
2.	Total Cost	\$8.05
3.	Total Change	\$1.95

4. **Write About It** Could you have bought more things? Explain why or why not.

Answers will vary. Possible answer: Yes, there are
five more items that are less than \$1.95.
