# Challenge

## Find the Value

Write the multiplication equation to find the value of the nickels or dimes. Write the value.

$$7 \times 5 = 35$$

$$35 \text{ } \text{¢}$$

$$6 \times 5 = 30$$

$$30 \text{ } \text{¢}$$

$$8 \times 5 = 40$$

$$40 \text{ } \text{¢}$$

4. **Write About It** Explain how you can multiply and count to find the value of 9 nickels and 3 pennies.

**Possible response: Nickels are 5¢ each.  $9 \times 5 = 45$ .**

**Pennies are 1¢ each. Count on 3 from 45: 46, 47, 48.**

**The value of the coins is 48¢.**
