

Challenge

Paint the Fence

Use crayons, markers, or colored pencils to paint the picket fence. Follow the clues below to help you decide which color to use for each picket.

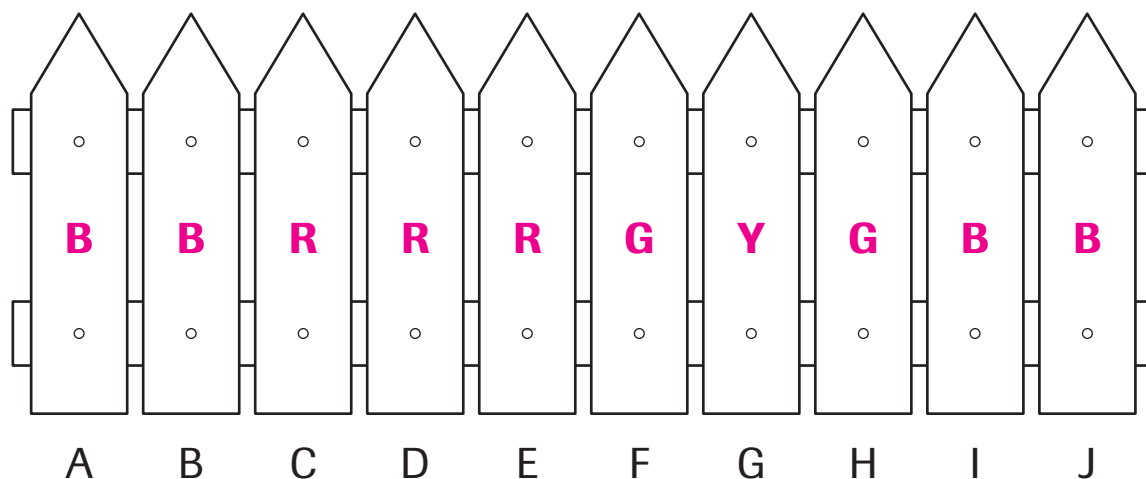

- The pickets are either red, blue, yellow, or green.
- Pickets A, B, I, and J are all the same color.
- $\frac{3}{10}$ of the pickets are red.
- Pickets E, F, and G are all different colors.
- $\frac{4}{10}$ of the pickets are blue.
- None of the green pickets are next to each other.
- $\frac{1}{10}$ of the pickets are yellow.
- All the red pickets are next to each other.
