

Challenge

My Dream Bedroom

Design your dream bedroom. Make a floor plan on the grid below or on a separate sheet of paper. Make sure you do the following:

- You must make the room a complex figure. It can not be a simple rectangle or square.
- Label all of the room's dimensions. You may want to measure your room at home to help you know how long and wide to make your dream bedroom.
- Find the area and perimeter of your dream bedroom.
- Add and label items you would want to have in your dream bedroom.

Perimeter _____

Area _____
