Letter to Family

Dear Family,

I would like you and your child to look through supermarket and grocery store ads in the newspaper. I would like you to find two items that cost less than 50¢. Cut out the ads and send them to school with your child.

In school the children will put different items together and find the combined cost of the items.

Your child needs to bring this to school by _____.
(date)

Thank you for your help.

Sincerely,
