

Name _____ Date _____

Letter to Family

Dear Family,

I would like you to help your child take a survey of each member of your family to find out which color they like best—red, yellow, or blue. They can put tally marks in the chart below to keep a record of the results. You might want to use crayons to mark the color by each name in the chart. This may help your child keep track of which color is on a line.

Color	Tally
Red	
Blue	
Yellow	

When all of the children bring these back to school, we will compare our results. For example, we'll see which color was the family favorite.

Your child needs to bring this to school by _____.
(date)

Thank you for your help.

Sincerely,
