

Name _____ Date _____

Letter to Family

Dear Family,

I would like you and your child to create a picture of up to five flowers. Your child can either draw the flowers or cut pictures of flowers from a magazine and paste them onto a piece of paper. In class I will pair your child with another child and his or her picture of flowers. They will write a number sentence that tells how many flowers they have in all.

Your child needs to bring this to school by _____.
(date)

Thank you for your help.

Sincerely,
