Letter to Family

Dear Family,

I would like you to help your child design a symmetrical door for a castle. By symmetrical, I mean that you could draw a line down the middle of the door and each side of the line would be a mirror image of the other side.

When all the children have brought in their door designs, we will create a Castle Door bulletin board.

Your child needs to bring this to school by _____
(date)

Thank you for your help.

Sincerely,
