Description of Investigation and Student Report
Be an Investigator

Dear Investigator _____,
(name)

I am creating a traveling exhibit that will show timelines of different cities and towns across the United States. I would like you to create a timeline for this exhibit. Do a timeline of an important series of events in the city or town where you live. On your timeline I would like you to show the events and dates. I would also like you to show the number of years between events.

Sincerely,

Robert Diaz
