

Name _____ Date _____

Problem

Find similar data about another interesting bird, like the ostrich or kiwi. Does it take longer for flamingo eggs to hatch than this bird's eggs? If so, how much longer? Do the flamingoes have a longer or shorter lifespan than this type of bird?

Data Sheet**Egg-Hatching Time and Average Lifespan of Birds (Living in Captivity)**

Bird name	Days for eggs to hatch	Average Lifespan
Kiwi	70 to 80 days	20 to 30 years
Marabou Stork	30 to 50 days	Up to 20 years
Bald Eagle	31 to 45 days	Up to 30 years
Ostrich	Around 40 days	Up to 40 years
