

Name _____ Date _____

Problem

On grid paper, outline a 10 by 10 area. Use different colors to show the fraction of active volcanoes that are in each of the four regions listed in the table on page 106. Make a key to show which color represents each region.

Active Volcanoes

Region	Fraction of Total
Asia and Pacific	$\frac{9}{25}$
Americas	$\frac{47}{100}$
Europe	$\frac{7}{50}$
Other	$\frac{3}{100}$
