

Name _____ Date _____

Letter to Family

Dear Family,

Our class is going to compare objects of different lengths to find out which of two objects is longer. I would like you and your child to choose two objects from home to bring to school. Choose objects that are the same kind, such as two pencils, two pieces of ribbon, two spoons, and so on. Make sure that the objects are different in length.

Your child needs to bring this to school by _____.
(date)

Thank you for your help.

Sincerely,
