Letter to Family

Dear Family,

I would like you to help your child pick a special day while looking at a calendar for this month. You can use a day that is already special for some reason or make up something special, such as a day when you will cook your child's favorite meal. Write down the day you picked and what makes that day special.

Your child needs to bring this to school by _____.
(date)

Thank you for your help.

Sincerely,
