**Letter to Family**

Dear Family,

I would like your child to bring in an object that can be traced to make a shape like a circle, square, rectangle, or triangle. Objects like a box or a can might work well. In school I will have each child trace their object to make a shape. Then we will sort the shapes into categories such as triangles, squares, and so on.

Your child needs to bring this to school by \_\_\_\_\_.

Thank you for your help.

Sincerely,
