Letter to Family

Dear Family,

I would like you to look through a newspaper or magazine with your child and find an example of one of the numbers from 6 through 12. Cut out the section of the newspaper or magazine that the number is in, circle the number, and send it to school with your child. In class we will sort the numbers and create a Number Bulletin Board.

Your child needs to bring this to school by _____.
(date)

Thank you for your help.

Sincerely,
