

Choose the Operation

This  has 5 .

It eats 3 .

How many  does  have left?

UNDERSTAND

What do I know?

What do I need to find out?

PLAN

Do I need to add or subtract?

How do I know?

SOLVE

I can use a number sentence to subtract 3 from 5.

$$\underline{\quad} \bigcirc \underline{\quad} = \underline{\quad}$$

LOOK BACK

How can I check my answer?
