Line and Double Line Graphs

If you went on a **safari**, or journey, to explore parts of Africa and Asia, you might see these animals:

- **cheetah**—a wild cat with long legs and spotted fur
- **elephant**—a very large animal with thick skin and a long trunk (nose)
- **tiger**—a large, strong cat with striped fur
- **wildebeest**—a large antelope with a long tail and curved horns

Below are pictures of the animals. Write the name of each animal under its picture.

1.  
2.  
3.  
4.  

Use the words in the box to fill in the blanks in the paragraph below.

<table>
<thead>
