Draw Conclusions and Make Predictions

The word *typical* means “usual” or “normal.” The web diagram below shows some words and phrases that have nearly the same meaning as *typical.*

Answer Questions 1–4 by circling the correct picture.

1. Which clothing is typical for a very cold day?

2. Which is a typical pet in the United States?

3. Which is a typical price for a carton of milk?

4. Which is a typical sport played by fifth graders?

On the back of this sheet, draw a picture that shows what you do on a typical Monday morning.
