# Different Ways to Show Numbers

CA Standards  
NS 1.2, NS 1.0

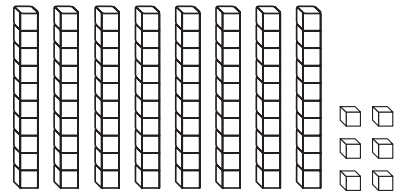

You can show a number in different ways.  
These are some ways to show 43.

		<p>4 tens 3 ones</p>	<p><math>40 + 3</math></p>
---	---	----------------------	----------------------------

Circle the way to show the number.

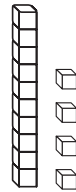

1. 86

6 tens 8 ones

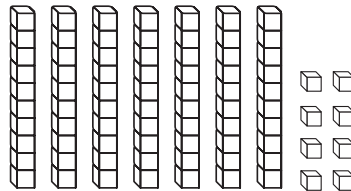

2. 15

$10 + 5$

3. 78

8 tens 7 ones

4. 27

7 tens 2 ones

**Writing and Reasoning** What is another way to show 32?
