

Add Money

CA Standards
KEY NS 2.2, NS 5.0

You can add money the same way you add numbers.

Add $35\text{¢} + 16\text{¢}$.

Step 1 Add the numbers.

$$\begin{array}{r} \square \\ 35 \\ +16 \\ \hline 51 \end{array}$$

Step 2 Add the money values.

$$\begin{array}{r} \square \\ 35\text{¢} \\ +16\text{¢} \\ \hline 51\text{¢} \end{array}$$

Solution: $35\text{¢} + 16\text{¢} = 51\text{¢}$

Add $27\text{¢} + 24\text{¢}$.

Step 1 Add the numbers.

$$\begin{array}{r} \square \\ 27 \\ +24 \\ \hline 51 \end{array}$$

Step 2 Add the money values.

$$\begin{array}{r} \square \\ 27\text{¢} \\ +24\text{¢} \\ \hline 51\text{¢} \end{array}$$

Solution: $27\text{¢} + 24\text{¢} = 51\text{¢}$

Add.

1. $52\text{¢} + 25\text{¢} = \underline{\hspace{2cm}}$ 2. $56\text{¢} + 15\text{¢} = \underline{\hspace{2cm}}$ 3. $92\text{¢} + 3\text{¢} = \underline{\hspace{2cm}}$

4. $43\text{¢} + 36\text{¢} = \underline{\hspace{2cm}}$ 5. $26\text{¢} + 17\text{¢} = \underline{\hspace{2cm}}$ 6. $13\text{¢} + 38\text{¢} = \underline{\hspace{2cm}}$

7. $29\text{¢} + 22\text{¢} = \underline{\hspace{2cm}}$ 8. $63\text{¢} + 17\text{¢} = \underline{\hspace{2cm}}$ 9. $44\text{¢} + 21\text{¢} = \underline{\hspace{2cm}}$

10. $42\text{¢} + 29\text{¢} = \underline{\hspace{2cm}}$ 11. $25\text{¢} + 15\text{¢} = \underline{\hspace{2cm}}$ 12. $81\text{¢} + 14\text{¢} = \underline{\hspace{2cm}}$

Writing and Reasoning How do I check my answer when I add two amounts of money?
