

# Compare Plane and Solid Shapes

CA Standard  
KEY MG 2.1

Classify the shapes. Write how many faces, vertices, and edges.

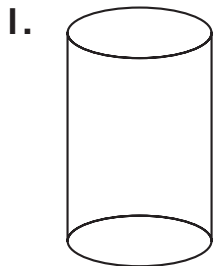

6 rectangle faces

8 vertices

12 edges

This is a rectangular prism.

\_\_\_\_\_ circle faces

\_\_\_\_\_ vertices

\_\_\_\_\_ edges

This is a \_\_\_\_\_.

2. Write the names of two shapes that are alike.

Write a reason they are alike.

Shapes: \_\_\_\_\_ and \_\_\_\_\_

Reason: \_\_\_\_\_

**Writing and Reasoning** Explain how to identify how two solids are alike or different.
