# Find Volume

CA Standards  
KEY MG 1.2, MG 1.0

Find the volume of the solid figure shown.

**Step 1** Count the number of unit cubes in the bottom layer. Remember to count the unit cubes that are hidden.

There are 4 unit cubes on the bottom.

**Step 2** Count the unit cubes in the top layer. There are 4 unit cubes on the top.

**Step 3** Add the unit cubes in each layer.  
 $4 + 4 = 8$

The volume of the figure is 8 cubic units.

Find the volume of each figure. Each  = 1 cubic unit.
