What We’re Learning
During the next few weeks, our math class will be learning about time.
You can expect to see work that provides practice in telling time.
As we learn about time, you may wish to use the following samples as a guide.

Vocabulary
- minute  A unit of time that is 60 seconds.
- hour    A unit of time that is 60 minutes.
- hour hand The shorter hand on a clock.
- minute hand The longer hand on a clock.

Guiding Your Child

Knowing how to tell time can help children with real-life skills.

Sincerely,
Your child’s teacher
