What We’re Learning

During the next few weeks, our math class will be learning and practicing subtraction from numbers to 10.

Following each lesson, there is an At-Home activity for you to do with your child to provide practice with subtraction.

As we learn to subtract, you may wish to use the following sample as a guide.

Vocabulary

- **subtract** Take away to find how many are left.
- **minus sign** A symbol to show subtracting.
- **difference** The answer to a subtraction problem.

Guiding Your Child

**Subtracting 2**

5 \[ - \] 2 \[ = \] 3

\[ \text{minus sign} \]

\[ \text{equals sign} \]

Sincerely,

Your child’s teacher
