

Dear Family:

Some Unit 3 homework pages will ask children to extend a number pattern. The numbers on the top row follow a repeating pattern. Children are to “read” (say) and copy the pattern from left to right.

♦♦	♦♦♦	♦♦♦♦	♦♦♦♦♦	♦♦	♦♦♦	♦♦♦♦	♦♦♦♦♦
2	3	4	5	2	3	4	5
2	3	4	5	2	3	4	5
2	3	4	5	2	3	4	5

Children in many other countries learn to write small numbers. It is easier for most children to write smaller. Learning to write neatly is important.

Please help your child learn to write numbers. This will take time and practice. Be supportive and encourage your child.

Thank you!

Sincerely,
Your child's teacher
