

Dear Family,

This week _____ will learn about families and all the members of a family. Using the topic “Meet My Family,” we will read stories about things families do together. You can help your child learn more by talking with her/him about the things he/she is doing at school and the new letters and words that he/she is learning. Here are some ways that you can work with your child at home.

Think Talk &

- What did you read today?
- What was the story about?
- Who are the people in our family?
- What are some of the things that our family does together?

Home Activities

Letter Hunt

Look at book titles and newspaper or magazine headlines with your child to find letters of the alphabet. Start with the letter *A* and continue with the rest of the letters in *ABC* order. Encourage your child to name each letter as he/she finds it.

Morning Routines

Children will listen to a story about what each person in a family does in the morning. Ask your child to tell you about the things he/she does each morning. Prompt her/him to use the words *first*, *next*, and *last*.
