

Dear Family,

This week _____ will learn about neighbors and neighborhoods. Using the topic “Hello, Neighbor!” we will read stories about what it means to be a good neighbor. You can help your child learn more by talking with her/him about the things he/she is doing at school and the new letters and words that he/she is learning. Here are some ways that you can work with your child at home.

Think Talk &

- What did you read today?
- What was the story about?
- Who lives in our neighborhood?
- What things do you see in our neighborhood?

Home Activities

Ss Hunt

Page through newspaper or magazine headlines with your child, looking for capital *S* and small *s*. Circle the letters that you find. Look at the materials again and ask your child to point to each circled letter and say its name.

Sort Objects

Have your child sort objects in your home by size, shape, or color. Then have her/him count how many objects are in each set.

What I Learned

Here is a note from your child and her/his teacher.
