

Dear Family,

This week _____ will learn about communities. Using the topic “Community Helpers,” we will read stories about how people in a community help each other. You can help your child learn more by talking with her/him about the things he/she is doing at school and the new letters and words that he/she is learning. Here are some ways that you can work with your child at home.

Think & Talk

- Who were the people in the story?
- What do they do?
- Do we have helpers in our community?
- Who are they? What do they do?

Home Activities

Pp Card

Fold a piece of drawing paper in half. Write *Pp* on the front of the card. Name the letters and have your child repeat their names. Look for pictures of things that start with *Pp* in magazines or newspapers. Cut out the pictures and help your child glue them to the inside of the card.

Reading Together

Gather books about community helpers, such as firefighters, police officers, teachers, doctors, and nurses. Talk with your child about what the people pictured in the books do for others. Read the stories aloud to your child.

What I Learned

Here is a note from your child and her/his teacher.
